## About the Institutions

Vivekanandha Educational Institutions was established by **Angammal Educational Trust** in the year 1987. "Vidhya Rathna", **Prof. Dr. M. KARUNANITHI**, B.Pharm., M.S., Ph.D., D.Litt., formed the trust with the objective to impart quality education to the rural women students. Spanning across 250 acres **Vivekanandha Educational Institutions** provides technical and professional education in the areas including arts and science, education, engineering, management, pharmacy, dental and nursing. Students all over India from rural areas pursue their education at all disciplines. Today the institution caters to the needs of 23,000 women students under one roof. Vivekanandha Educational Institutions stand out as one amidst the elite largest women institution in the whole of Asia.

## About Our Colleges

"Vidhya Rathna" **Prof. Dr. M. Karunanithi**, B.Pharm., M.S., Ph.D., D.Litt., has made his name well-known far and wide. He is an Educationist, a Philanthropist, a Chemist and an Industrialist. With his profound experience and unique vision, **Vivekanandha College of Education for Women** was established by the **Angammal Educational Trust** in 1987 and **Krishna Educational and Charitable Trust** in 2006. **Krishna College of Education for Women & Krishnasree College of Education for Women** were established by the **Krishna Educational and Charitable Trust** in the year 2006 and 2008 respectively. He took over **Rabindharanath Tagore Educational Charitable Trust** in 2010, which was started in the year 2002. Were established by the **Rabindharanath Tagore College of Education for Women and Viswabharathi College of Education for Women**. He is the architect and driving force behind the temples of learning under the banner of the "**VIVEKANANDHA EDUCATIONAL INSTITUTIONS**" all Five B.Ed colleges were established with the motive to impart exceptionally superior teacher education. Five colleges are approved by NCTE, New Delhi and affiliated to Tamil Nadu Teachers Education University, Chennai. The colleges bestow an erudite atmosphere crafted with ethics, to adorn the education of the girl students. The Colleges are geared up with excellent facilities and state of the art infrastructure. It inculcates research attitude and aptitude among the students.

## About the TNTEU

The Government of Tamil Nadu enacted Act No. (3) of 2008 to provide for the establishment and incorporation of "Teachers Education University in the State of Tamil Nadu for promoting excellence in teacher education. Further, the Act came into effect from 01.07.2008 by a Gazette Notification issued in G.O.M.S.256, Higher Education Department, dated "25.06.2008". This University is unique in nature relatively to the other Universities since its assignment is to promote excellence in teacher education and produce dynamic and smart teachers for the benefit of the society and the nation at large. The Tamil Nadu Teachers Education University offers B.Ed., M.Ed., M.Phil., Ph.D., and B.Sc., B.Ed., / B.A., B.Ed., programmes."

"The basic necessity for all the educational institutions in the country is to have intelligent, dynamic, excellent and brilliant teachers to disseminate knowledge in the field. Without them, no educational institution can survive and excel in any field of knowledge. It is such a divine task and it is proud that it has to monitor all 649 affiliated colleges of education including "government, government-aided and self-financing colleges in the whole of the Tamil Nadu State."

## About the Webinar

Research paradigm refers to the theoretical or philosophical ground for all researcher, should be able to graduate with an in-depth understanding of how to conduct and analyse their own research to make improvement in educational and academic programs. Graduates with an education research degree should be able to find work in a variety of fields and organizations, including universities and other business sectors. Online education research programs are available around the world. So, the following session will briefly discuss the major components of research paradigm which also constitute philosophical assumptions of research paradigms.
